April 4 — Easter

Sermon Title: "Again & Again — The Sun Rises"

Scripture: Mark 16:1-8 (CEB)

According to Mark, on the first day of the week, the women rise with the sun and buy spices to anoint Jesus' body. They are shocked to find the tomb empty and leave in fear and terror. Mark's resurrection story is far different than the other Gospel testimonies. Look at it in several different Bibles as see if any of them mention that scholars believe the remainder of Mark's gospel was added later. In Mark's version, we are reminded that Easter comes to us, again & again, even if we don't know what to make of God's resurrection ways. Yes, again & again, the sun rises. And some days, that is enough.
