August 8 — 11th Sunday after Pentecost
Sermon Title: "Are We Living a Life
Worthy of Our Calling?" by Lisa Dunn
Scripture: Ephesians 4:25-5:2

When I was young, I remember learning in VBS or maybe Sunday School here at Bascomb that a good way to know what the Bible is about is what it stands for which is Basic Instructions Before Leaving Earth! B.I.B.L.E. get it! As a child this obviously stuck with me because some 30 plus years later I still remember this acronym. It's kind of a fun one and at the same time speaks truth. What is Paul trying to teach us through Ephesians as believers in Christ? We will see what it means to put away something old in exchange for something new and who doesn't love new! Ephesians gives us a road map of sorts along our journey on how we should live our lives and Paul explains to us how we are to change our lives as brothers and sisters in Christ to live up to a life worthy of our calling.
