October 3 — 19th Sunday after Pentecost
in Kingdomtide — World Communion

Sermon Title: "My Favorite Things"

Part One of a Four-Sermon Series in Philippians

Scripture: Philippians 2:1-4 (CEB)

An overview of Philippians. You are invited to spend October reading and re-reading Philippians. Just four short chapters, this letter from Paul is a perfect study of the New Testament church. I am praying that Bascomb will begin to see God's vision for our "next level." What does "the next level" mean for us? I believe in the concept of a shared vision. We come closer to God's heart as a community of faith when all of us participate in a shared vision. But before we consider our personal opinions of what we want to see at Bascomb, let's be sure we pray about God's vision for us. This month, let us hear from Paul as he speaks to this small New Testament Community and gain inspiration from their story. We all have our favorite things, but what are God's favorite things?
