Picture Perfect?

Luke 3:1-6

December 5 — 2<sup>nd</sup> Sunday of Advent

Sermon Series: Almost Christmas!

Sermon Title: "Picture Perfect?"

Advent Candle of Hope

Scripture: Luke 3:1-6

The Hallmark Channel has found its niche! There you can find some pretty stock images of Christmas "A Picture-Perfect Christmas." But Hallmark is not known for its "gritty, hardcore" depictions of life's realities. Longing for a picture-perfect Christmas could very well be an exercise in futility.

Luke takes us into the wilderness to find a deeper Christmas, a true HOPE. We should consider, as people of faith, that it's in the spiritual arena that you're going to find the Christmas you've always wanted. John wants us to prepare! To get a focus on what we should be about that is truly God-honoring – that's where the miracle of the season is realized.
