Sermon Title: "Trivial" Part 2

Scripture: John 2:1-11

Is turning water into wine a trivial miracle? Well John doesn't use the word "miracle." Jesus gives us seven "signs" instead. If we think about this text as the first "sign" then what does that tell us? John is never about the text as much as he is about the sub-text. Let us look into the sub-text to understand Jesus' reluctance to even ACT in this story.
