## Luke 4:21-30

January 30 — 4<sup>th</sup> Sunday after the Epiphany  
Sermon Title: "Passion"  
Scripture: Luke 4:21-30 (CEB)

Let us continue with the text in Luke. I did not cover this event last week and I realized that this congregation in the Nazareth synagogue truly experienced "passion" in their church – they got so passionate (here I mean angry) they tried to throw Jesus off a cliff! How's that for passionate worship? Please don't get any ideas about YOUR preacher OK?

What does passionate worship look like? Maybe some football fans can give us examples? What are you fanatical about? At the very least, we should examine the challenge of weekly modern worship services – are they entertainment or do they produce deep spiritual formation?
