God's got us...

Joshua 5:9-12

April 3 — 5th Sunday in Lent

Sermon Title: "God's Got Us Going and Coming"

Scripture: Joshua 5:9-12; Luke 15:1-3, 11b-32

Two stories of wandering – the young Jewish boy and the young Jewish nation. In the OT, Israel stands on the border of the Promised Land after wandering in the desert for 40 years and in Luke's gospel, a young man wanders in "a far-away land" until he comes home. In both circumstances God is working and redeeming and providing. The question is.....where do you want to be — going or coming? How can you tell where you are?
