WITNESS

April 17 — Easter Sunday

Sermon Title: "Witness"

Scripture: Luke 24:1-12

We have a narrative of God's saving actions in human history to put in our hearts that should now connect to a personal narrative for each of us. John's gospel has Mary declaring "I have seen the Lord!" (John 20:18). Mary's statement should be ours: "I have seen the Lord!" To witness is to recount the greater narrative of our saving God through Jesus Christ and then recount our own salvation story. The hymn "I Love to Tell the Story" is so iconic – it talks ABOUT the story but does not TELL the story. Can we tell the story? Can we tell our story? Paul says if Christ is not risen, then we believers are to be pitied. What does "He Lives within My Heart" really mean?

Trustees Corner

A challenge was offered by Steve Underwood about six weeks ago which originated in the trustees committee. This challenge involved beautification of our grounds around Bascomb. Steve invited groups to take on a section for improvement with the idea that 'many hands make light work.'

Exciting news! We now have five areas that are spoken for. The trustees themselves are taking on the front area beside the sanctuary. The plan is to landscape and beautify the section where a tree had to be removed for the building repair.

The Prime Movers Sunday school class have claimed the circular area in front of the fellowship hall and plan to begin work this week. The area will be cleaned and replanted with a tree in memory of Brad Magee.

The Preschool will take on the spot in front of the glass door entrance. The plan is to use colorful annuals to liven the area.

The Traveler's Sunday school class and UMM have also claimed spaces, including the front of the sanctuary. As we get more details, we will report the good news.

If you would love to help beautify the grounds around Bascomb, please get in touch with Steve Underwood at steveu86@bellsouth.net. This project is open to groups or families or anyone with a desire to help in improving this beautiful church campus. Once you get in touch with a plan and the trustees give their OK, you will be ready to go!
