June 5 — Pentecost
 Sermon Title: "Vertical and Horizontal"
 Scripture: Joel 2:28-32

Joel was a "famine/feast" kind of prophet. How was it that Peter was inspired to reach all the way back to Joel as his chosen scripture on the day the Holy Spirit fell on us believers with such power? There are many applications for the "vertical/horizontal" diagram --- the up and down movement AND the back and forth movement of the Holy Spirit. Come explore these paths of movement as we "have visions and dream dreams" together.
