July 24 — 7<sup>th</sup> Sunday after Pentecost  
Sermon Title: "The Better Choice"  
Scripture: Luke 10:38-42

How many choices do you make a day? According to [psychology.com](http://psychology.com), the average human can make 35,000 different choices a day. From the clothes that we wear, to the food we eat, to the speed that we drive on the interstate, all of us have thousands of options at our disposal each and every day. Many of these choices are made by our subconscious; in other words, we make them without even knowing it. But what about the choices that we should seriously consider throughout the day? What makes us choose one side over the other? This Sunday we will be using the passage from Luke 10, verses 38 through 42. In our time together, I will be sharing with everyone about how Jesus can show us the best way to make those decisions. I look forward to sharing this with you this coming Sunday.
