Acts 1:6-11

August 28 — 13th Sunday after Pentecost
 Sermon Title: "Witness"
 Scripture: Acts 1:6-11 (NLT)

When we think of the word "witness," oftentimes the first thing that comes to mind is a courtroom setting (i.e. TV shows like "Perry Mason" or movies such as "A Few Good Men" and others of similar ilk). However, Jesus made mention of the word "witness" at a very special time, to a very special group of people, regarding a very special way forward. Just what does the word "witness" mean? What should it mean to us? How should we understand it as it applies to us as a church, but even more so as individuals? Drop in this Sunday and see! :o)
