October 23 — 20th Sunday after Pentecost
Sermon Title: "Looking Back"
Scripture: 2 Timothy 4:1-8

You may have heard me mention that Bascomb is only eight years away from being 200 years old. What does that mean to you? It should mean a great deal to you. Each of you are a part of a place of ministry which has touched hundreds of thousands of people from all over the world.

How?

The generations before us have interacted with the people of this community for all of those 192 years. Bascomb's members and families have been the "hands and feet" of Christ in so many ways to all of those who have lived nearby. Through helping the poor and the less fortunate, to supporting our schools nearby, our support for MUST ministries and UMCOR, through the work of both our United Methodist Women and Men, Bascomb's love and service to all has been seen and felt. And the list goes on as does our love for God and for our neighbor.

We are quickly coming upon the holiday season. I ask you to pray and to consider being a part of the many opportunities of loving and serving those who come to us in the coming weeks leading up to Christmas. From the Trunk or Treat all the way to our 11PM Christmas Eve service, we have the blessing and the opportunity to show our love for God and for our neighbor by being here to love and serve those visiting us.

By doing so, we will be following the footsteps of the many generations before us here at Bascomb. And what better way to celebrate and to remember those before us than by continuing their tradition of love and service to all.

To God be the glory...
