April 30—Fifth Sunday

*“The Shepherd Knows” - John 10: 1-10*

This coming Sunday, April 30th, our church will come together for one service at 10AM. This will be followed up with a brunch/lunch after the service where we will not only eat but to also celebrate two of Bascomb’s servants, Jaime McLemore and Tammy Smith. Both of these servants have served Bascomb with the love of Christ along with their gifts and talents.

Jaime is stepping down from her role as Director of Children’s ministry after serving our church for fourteen years. This is an amazing amount time of serving in children’s ministry. According to church statistics, the average amount of time by any leader in children’s ministry is only about eighteen months. What a blessing she has been to Bascomb! The good news is that Jaime and her family will continue to worship with us. Please make sure you thank Jaime for all of her years of love, hard work, and service to Bascomb.

Tammy Smith has stepped down as Bascomb’s office administrator after also serving here for fourteen years. She has served here at Bascomb under four different pastors. Her memory and administrative skills have amazed me and served me very well during our short time together. And from the comments I have received about Tammy’s leaving over the past month has shown to me how much of a blessing she has been for our church. Tammy and her family will be here until the end of May before moving to Tuscaloosa, Alabama, due to Todd’s new job there. And please remember to thank Tammy too for her years of service to our church and pastors.

And please remember to pray for those following in Tammy and Jaime’s positions. RaeLena Rodriguez has already taken over as our office administrator and China Allmon has assumed the position as our Director of Children’s Ministries. I know they will be blessed with all of our prayers for God to use them both to the Glory of God.
