## Bascomb Family and Friends Organize

Several interested members of Bascomb have formed a group, now called “BFF” (Bascomb Family and Friends). BFF has one primary objective: to promote a bright future for our church in a place we love with people we love. Our group is open to anyone, member or interested party. We emphasize that this group is not politically motivated.

We feel that we will be facing a challenging environment in the coming months. To work toward meeting our objective, we intend to focus on two areas. First, we will pursue creative financial resources to supplement funds for continued operation, and second, we hope to facilitate growth through outreach efforts. If you are interested in helping our church into the future, please consider joining us. We are meeting on Sunday, June 4th in the fellowship hall after the 11:00 a.m. service. It is a ‘bring your own bagged lunch’ casual meeting. Or you may contact: Steve Underwood 678-910-9389.

## May 28—Pentecost Sunday “Something New” - Acts 2: 1-20

This coming Sunday will be Pentecost Sunday which is where many mainline denominations celebrate the gift of the Holy Spirit coming upon the eleven remaining disciples and some 120 followers of Jesus. It is from that small group of believers that the early church came into existence by the power of the Holy Spirit and is still around some 2,000 years later.

While some believers struggle today with the existence of the Holy Spirit in the Church today, there are many others, like myself, who believe that the Spirit is alive and well. I have seen and experience too many things and too many times where it was only the Spirit of God who could have orchestrated those events.

As I was writing this today, the question popped into my head, “Where is the Holy Spirit in the midst of the UMC’s churches split?” As your pastor, I wish I knew. But I do believe that at the end of all of this, God will be glorified and Bascomb Church will be made stronger.

This coming Sunday, you will hear about something during both services of where some members of our church are trying to point us into a new direction for Bascomb. I believe that God’s Spirit is leading this group and myself to where God needs Bascomb to be in the years to come. Please listen closely to one of the leaders of this group, Steve Underwood, as he shares some of what we believe God is calling us to do.

*Hope to see y’all Sunday and don’t forget to wear RED!*
