You Are the Salt of the Earth and the Light of the World!
Matthew 5:13-16

June 11—

"What's Next?" - Matthew 5: 13-16

As Brenda and I have gotten older, we have found that we need to cut back and/or do away with certain foods. With Brenda's ongoing heart issues, we have had to cut back on our sodium/salt intake. I say we, but it's primarily her since there are certain foods, I eat that just have to have salt; eggs, tomatoes, and potatoes just for starters.

I have been surprised at times when Brenda and I have gone shopping. I will mention a certain food or type and she then tells me that it is too high in its salt content. This sounds a little strange to me because it doesn't taste too salty to me.

Our Scripture reading for this week comes from the 5th chapter of Matthew. In verse 13, Jesus told those listening that they were the "salt of the earth." Now, this was different from what was meant in the past century when someone was called the salt of the earth because we're well liked and overall good people to know.

In Jesus' time, he was telling those listening that they needed to keep their saltiness or what we would call usefulness, for their witness and service for the kingdom of God. Because if they lost saltiness or usefulness, then they would not be able to make a difference back then. The same is true today. Our usefulness to the kingdom of God is seen through our words and deeds. The more our words and service resemble Jesus' teachings and commandments, the more our witness for Jesus will be seen in the world around us.
