BUMP is approaching its 40<sup>th</sup> birthday and has been in its current location (downstairs in our church) for 20 years! We hope and pray that we have touched the lives of many families in the Woodstock community and helped to promote the mission of Bascomb in making disciples of Jesus Christ!

Well, it's almost here. This coming Sunday, our church, Bascomb United Methodist Church will be celebrating its 193rd birthday. In 1830, the community came together and started Bascomb Church. Think about the year 1830. What was going on back in 1830?

- \* American Poet, Emily Dickinson was born in Amherst, MA,
- \* George IV, King of England died 6/26/1830.
- \* President Andrew Jackson signed the Indian Removal Act, which led to thousands of Indians dying on the "Trail of Tears."
- \* The country of Ecuador was created and recognized.

Of course, there were other things taking place both around the world and here locally around where Bascomb was founded. But with the creation of this church in 1830, we can say that lives have been changed both within and outside the walls of this church along with the lives around this state, this country, and the world.

God was present in 1830 when Bascomb was created and 193 years later God is still present. Best of all, God is NOT done with Bascomb United Methodist Church. God's Spirit is still moving the walls of our church and the people here who believe that our church can make a difference for our community and for the kingdom of God.

Please pray for our church and for our leadership as we seek God's Will and Purpose for Bascomb in the coming days, weeks, and months. To God be the Glory!
