Super Seniors Luncheon

Super Seniors luncheon is on Wednesday July 26th at 11:30AM in the Fellowship Hall. Lunch will be provided for \$5.00. Pastor Dan will be giving the devotion.

See Cyndee Fetzer for details.

Our Scripture reading for this week has some agricultural practices that may sound a little different than we have in the 21st century. Jesus offered a parable to his disciples and the crowd saying that there was a farmer who was spreading his seed in places that have little success of growing anything at all. The seed was thrown onto hard ground, rocky places, the weeds, and the thorns. And of course, he threw some of his seed on the best soil there was.

Well, what happened? Sure enough, the seed that was thrown onto the bad soil yielded not much of anything. But the good seed produced an abundance many times over, up to 100 times over. Now what farmer would waste his seed in places he knew that there would be little success?

Remember this is a parable and when Jesus uses parables, the subject mentioned is usually not what the crowd and others think that it is. And this could be true of us too. Maybe, just maybe, Jesus would want us to think about another one of his teachings like how the *"fields are ripe for the harvest."* (John 4:35)

And where are those fields near Bascomb that may be ripe for the harvest? Maybe Jesus would want us to look at some of the *"rocky places, the hard ground, and where the thorns and weeds are."* If we are daring to *"plant"* literally with those people in those *"rocky and hard areas along those areas covered with weeds and thorns"* around us, who knows what our harvest may look like?
