December 31, 2023—New Years Eve
“Keeping Christmas” Luke 2:22-40

By the time many of you read this, there will be less than 100 hours left in the year 2023. I’ve not exactly been a big fan of 2023 and will not be sorry to see it go. Brenda and I had some health challenges this past year. One of our dear friends lost two of their children to an automobile wreck just last week. There is the war in the Middle East. And then for our church and denomination, there was the issue of the disaffiliation within the United Methodist Church. Our North Georgia Conference lost more than 250 churches leaving the conference with about 450 churches.

Of course, even though our church has lost about half its active members due to the issue of disaffiliation, we are still a part of the United Methodist denomination. Our church has lost some very dear active members and I pray that you keep up with those members and remind them that Bascomb still has a place for them in 2024 and beyond.

As we say goodbye to 2023, I pray that 2024 will be a year that is filled and focused on God’s Holy Spirit here at Bascomb. Last month, our church became a Lighthouse congregation which means that Bascomb will be a “United Methodist faith community that will serve as a resting place with people who will care for you while providing a haven of peace and grace.” It is my hope and prayer that we will become a place that will welcome all who come to our church seeking a place that serves them with the love and light of Christ. I pray that 2024 will indeed be a year that God continues to bless you, your family and our church in new ways to reflect God’s Love in all that we say and do. May God richly bless you throughout 2024!

Happy New Year!
