*"What God's Tone Implies" Jonah 3: 1-5 & 10*

This week I want to talk about tone: dial tone, ring tone, mom tone, sassy tone, sarcastic tone, there are so many. As we talk about Jonah's journey to Nineveh we will hear God's tone as he asks Jonah to bring a message to the Ninevites. Will they listen? How will they interpret his commands? Will they respond in true faith or hollow promises?

God shows us through his stories in the Bible how he expects us to act, how he wants us to show Him our faith through actions. When He calls do you take him seriously? Do you follow through on your promises or hide in the bottom of a boat? I believe that God sees us, all of us, no matter where we hide. We know he will go after his lost sheep, but I want to explore how He chases after those who run and hide. Not only does He come for us, but He does it in love and understanding.

He is a God of second chances. Third, fourth and fifth sometimes too. He doesn't care how long it takes, or how many times we fail. He wants us anyway. He wants us to have faith in Him, He wants us to tell others and show others about His unwavering love. He will fix us when we are broken, and then use us to fix others. It's a really cool system, I look forward to talking with you about it.
