GOD'S LOVE

February 18, 2024—Spring Training in the OT—1
“Noah—A Covenant of Love” Genesis 9: 8-17

This week is one of my most favorite times of the year. Major League baseball teams will be reporting to their Spring Training sites in preparation for the upcoming 2024 baseball season. The team’s pitchers and catchers will report as of today with the rest of the team reporting sometime next week.

Now some of you may be wondering what all of this has to do with our church, along with my sermons, and Scripture readings. Well, let me explain. As with some pastors, I usually preach from the New Testament with the Gospel readings and the rest of the books found in the New Testament. Now I will sometimes refer back to some of the Old Testament readings especially when they refer and/or explain what is taking place in the New Testament reading. But that is probably not enough of the Old Testament overall from my sermons and Scripture readings.

To help me deal with some of my shortfalls in this area, I will preach the next three weeks from the Old Testament. We will be looking at three of the leading figures from that part of our Bibles—Noah, Abram, and Moses. And since we are at the start of the baseball training for the year, I have decided to call the series, “Spring Training in the Old Testament.” I hope you will enjoy the series as much as I will be putting it together.

Come join us Sunday!
