**DON'T FORGET,  
THIS SUNDAY MARCH 10TH  
SPRING FORWARD**

March 10, 2024—Girl Scout Sunday

*"Seeing to Believe" John 3: 14-21*

I wonder today as I ready for Sunday, "How many times have you heard a sermon preached on the passage which includes John 3:16?" I also wonder how many of you know John 3:16 by heart? And of course, I also wonder about what could I say to you that you have not already heard about John 3:16.

Question for you, ever *wondered* what "*wonder*" means? My online dictionary defined it three ways:

1. A cause of astonishment or admiration; marvel at something.
2. The quality of exciting amazed admiration.
3. Rapt attention or astonishment at something awesomely mysterious or new to one's experience.

I sure do love the number 3 definition of *wonder*. I believe that definition could describe or define our walk with Christ when we have those moments when we can't explain how they happened. Those moments in our walk where God worked something awesomely mysterious or new in our lives.

Our reading for Sunday is part of Jesus' conversation with a man named Nicodemus. He was not only a Pharisee but also a member of the Jewish ruling council. In the reading it looks like Nicodemus is not buying into what Jesus is teaching and talking about. It may make you *wonder* what Nicodemus really thinks about Jesus at the end of their conversation in the third chapter of John.

We're not told in the Bible if Jesus and Nicodemus ever met up again. Before you *wonder* if they did, let me assure something must happened either at the end of our reading or later. I believe something happened within Nicodemus in his life that could be best described as "*wonder*." Something like that 3rd definition from above; he became astonished at something awesomely mysterious or new to his life and spiritual experience. If you doubt me, *check out John 19:38-40*. It might make you wonder too.

## Website Revamp!

Our website has recently been updated to a new look thanks to Brian Rodriguez, (Thank you). We are now moving to the next step of modernizing our web presence by giving the home page or landing page a whole new feel. We are not looking at removing any content but rather making the home page more attractive to diverse generations who want a different experience from a website. If this interests you and you are willing to bring ideas and examples, please let Raelena know and when we schedule our first meeting we will work to make sure a date/time works for everyone interested. Thank you very much, Kevin Smith. office@bascombumc.org
