*"A Tale of Two Gardens" John 19: 41, 20: 1-18*

*He is Risen! He is Risen indeed!*

Those two phrases mean everything to the Christian faith. If those phrases were false or lies, then Jesus was just another false god or fake preacher. Everyone before and after Jesus would be fakes too! So, why do those two phrases mean so much to us as believers and followers of Jesus Christ?

I have limited space here so let me give you the highlights and fill the rest in on Sunday. The earth and the universe were created by God. God also created humanity and placed them in a perfect world. But that wasn't good enough! The devil, in the form of a serpent, tricked Adam and Eve by telling them they too could be like God. They believed and ate what they were told not to. Then, God threw them out of the garden.

Fast forward thousands of years, where God made covenants with Abraham, Isaac, Jacob, and many others. But humanity would have this roller coaster of a relationship with God. They would be good kings, bad kings, and it got to the point where God finally decided to offer Israel and eventually the world a final covenant. This covenant was where God sent God's Son into this world as the ultimate gift of Love where God's Son, Jesus, died for the sins of the world. Then on the 3rd day after his death, God raised Jesus from the dead.

And that whoever believed in that God raised Jesus from the dead would be forgiven of their sins and given the gift of eternal life. *This is the Good News of Easter!* God did for us what we could not do for ourselves and that was to save us from our sinful lives. This news was so good that we couldn't keep it to ourselves! We wanted to spread it everywhere and one of the best ways to spread it is *having all believers living it out and loving it out in their lives.*

*He is risen!*

*He is risen indeed!!!*
