## PENTECOST SUNDAY May 19

May 19, 2024—Pentecost Sunday

Acts 2: 1-21 "A Powerful Holiday"

What do you think of when you hear the word "Pentecost?" Usually, I think of the color red. I say that because Pentecost Sunday is the one Sunday of the year that the vestments and colors are red. If I was wearing a robe and a stole, my stole would be red to go along with the theme of the day. In fact, if you're reading this, please plan on wearing red for this Sunday so that you can be a part of the celebration for Pentecost Sunday.

Pentecost is usually known as the day that the "Christian church" was born into existence. Jesus had told his disciples and his followers (about 120 total) to stay in Jerusalem and to wait for the promised gift of the Holy Spirit. So, the 120 disciples and followers stayed in Jerusalem and waited. If my math is right, they had to wait ten more days for the Holy Spirit to arrive. And sure enough, one morning while everyone was together, it does arrive just as Jesus had promised.

The Holy Spirit's arrival was the **first** of three miracles God performed that morning of Pentecost. The **second** miracle that was performed that day was that the 120/MORE believers and the apostles began to speak in "tongues" or other languages. And finally, the **third** miracle was the thousands of people who heard the apostles and believers speaking to them in their own native language. Many of the people that in the crowd questioned how this could happen since many of those speaking were "Galileans."

Why would the crowd question how and why the people speaking were Galileans? The reason was that the Galileans were not thought too highly of. Many Galileans were fishermen and made their living by fishing or some other lowly trade. And besides that, these were Galileans who were in Jerusalem where all the Jewish leaders were, along with their temple. What could the Galileans say to those who thought they knew everything there was about God?

Some 2,000 years later, what can we as United Methodists say to our community and to the world? There are some in our community today who don't care with what we have to say but maybe they will be interested in what we are doing in our community with our love, hands, and feet.

*Maybe our actions will indeed be better than our words.*
