“Wisdom and Knowledge”

I know how to build a fire. I know I need dry wood to burn. I know I need a flame and I know I need airflow or oxygen to keep it burning.

I also know not to make a fire in my office. This latter sentence is a wise choice. So what’s the difference between knowledge and wisdom? We will be exploring this concept this Sunday in worship. How do we make wise choices in bringing the good news of the gospel to the world?

The “on boarding” session with Tyler went very well. One thing we learned is the need for Tyler to have a better computer, so he can offer us the best Sunday Service possible.

We would like to raise \$3,000.00 for this need. Dig deep to help show Tyler our support.

We will be collecting funds thru the month of August.
