There are too many good quotes about leadership to list them here. However, the idea that resonates with me the most is that good leaders are good servants.

Our scripture for this week is about two disciples that wanted to be at the head of Jesus' kingdom when he became ruler. They did not realize what the "Kingdom" of Jesus would look like. As much as I love being able to lead people, I am always blessed to be able to simply serve alongside others, because it is a reminder of who really is in charge, the one who calls us to do this good work together.
