"Feels Like Home"

The holiday has come and gone. Our lives are disheveled but in a good way. We are full of high fat food and good memories but it is time to go home and get back to normal. In our scripture this Sunday, Jesus did the same. As he scared the daylights out of his earthly parents, he went back to his fathers house in the temple, to learn more about his calling. Let us continue our Christmas journey back to our home for this season of epiphany and remember where our true home is as well. God bless and have a happy new year.
