Luke 14:7-15

"Honor All Around"

In our scripture this week, Jesus is discussing the importance of humility when it comes to being with other people. Everything Jesus did was to shift the perspective on what was important in society. Life is not about riches and glory. It is about the people we get to do life with. Only when we see the people in front of us and see our life as it is, will we find true joy.
