

BASCOMB

United Methodist Church

Woodstock, GA

Let us gather as a community to celebrate the blessings that surround us.

A Word from Rev. Tyler Flowers, Senior Pastor

Hello church family,

February flew by but what a joyous month it was. We kicked it off with our "Invite a friend" Sunday and we worshipped with 100 people :-).

Afterwards our Potluck was a success and we enjoyed some awesome trivia (Thank you Mr. Bill) and some fun time together.

I am also thankful you all got to spend some time with Nick and hear his heart.

Your staff is hard at work getting things in order for Easter and I cannot thank them and all of our volunteers enough for everything you all do to keep Bascomb moving forward.

One Sunday, I spoke briefly about how I feel like I keep preaching on "Loving your neighbor". Even after our series on hospitality, the thought has not left my heart.

Continued on next page.

I believe that is what Bascomb is called to do; to be good neighbors. I want people to feel they can come to us for a need, a glass of milk, a couple of eggs (even though we cant afford it), all of the things neighbors do.

I believe we are filling that role. We are providing space for our community and filling needs.

I pray that we sit in that idea of what it means to be a good neighbor. Mr. Rogers says that neighbors are the ones who help and I believe that is what we are being called to do. The challenge is communicating that to the community.

Together I feel we can accomplish that task. I am thankful for this season and I am thankful to live through it with you all.

God Bless,
Pastor Tyler Flowers

From our Children's Director, China Allmon

Bascomb Kids has had a great start to the new year. Throughout January and February, we learned about how God is always with us in our daily struggles and problems, and we can look to Him for help, no matter how big or small the problems we face are. As we move into March and prepare for Easter, we are beginning a new study of the parables that Jesus told us and how we as Christians should live and what it means to root ourselves in Christ.

With ten different students in our group, I have watched the kids bond and support each other in prayer. Thank you for the support and opportunity to minister to these children! If you know any students in kindergarten through fifth grade who would like to join us, we would love more friends on Sundays 4pm to 6pm in the big room!

Blessings,
China Allmon

From our Youth Director, Nick Yother

I just want to say how thankful I am to be on staff here at Bascomb. It really is a joy and honor to serve the youth and also be on a great staff like the one we have here.

Last month in youth ministry we have had a great time, all while learning about how our words can be used to bring people up or tear people down.

Our crew has a good time and if you are reading this and have a child, neighbor, or friend that is in 6th-12th grade come join us Sunday Nights from 4-6pm. We would love to have you with us.

I also want to say thank you for the kind words after preaching last month. It was a blessing to have the opportunity.

In the grip of grace,
Nick Yother

From our Adult Activities Director, Whitney Gaeta

February was a wonderful month filled with fellowship, community, and exciting new initiatives! We were blessed to welcome new faces and families at our Invite a Friend Sunday and Super Bowl Potluck—what a joy to see our church family growing! To help our guests feel at home, we introduced new first-time visitor bags filled with helpful information about our church and ministries. These bags are available in the Narthex, so be sure to share them with anyone visiting for the first time!

We also launched updated church materials to enhance our warm and welcoming atmosphere. The refreshed Connection Card, Prayer Request Card, E-Giving Card, and Welcome Team Name Badges help ensure that every guest and member feels connected and supported.

Beyond our church walls, Tyler and I had the privilege of representing BUMC at the Guns & Hoses 5K Run/Walk on Feb. 8 at Hobgood Park. It was a fantastic opportunity to engage with over 700 runners and their families, sharing the heart of our church with the wider community.

Looking ahead, we hope to see you at the Improv Comedy Show and Dinner on March 2nd—a perfect chance for laughter, fellowship, and fun! And don't forget to check out other upcoming events and activities in March. There's something for everyone, and we'd love for you to be a part of it!

Let's continue to grow together in faith, love, and community!

From our Preschool Director, Kathi Underwood

The preschool is excited to announce an upcoming Scholastic book fair that will take place from March 17th to March 21st. This event provides a wonderful opportunity for children and parents to explore a wide range of books suitable for preschool-aged children. We invite all families to participate and encourage a love for reading in our young learners.

The preschool will also be hosting parent-teacher conferences during this period. These conferences are a crucial time for parents to engage with their child's education, discuss their progress, and set goals for the remainder of the academic year. Teachers will be available to meet with parents to provide insights into their child's development and to answer any questions.

Registration for the upcoming school year is progressing well. We are pleased to announce that we have already registered 50 students, with ongoing tours for prospective families. The interest in our preschool program continues to grow, and we are thrilled to welcome new families into our community. If you or someone you know is interested in learning more about our preschool, please contact us to schedule a tour, kathi@bascombpreschool.com or call 770-926-0397.

We look forward to these exciting events and appreciate the continued support of BUMP.
